¹ As per the Fund's Extraordinary General Shareholders Meeting Resolution no. 5 of 26 October 2017, the ninth buyback programme refers to the acquisition by the Fund of a maximum number of shares and / or equivalent GDRs corresponding to the Fund's shares computed so that all the outstanding treasury shares (acquired during this programme and/or previous ones) will not exceed 20% of the subscribed share capital at the relevant time, which represents a total of 1,761,024,502 own shares as of the date of this notification; however, after the cancellation of the shares acquired within the previous / ongoing buyback programmes, the 20% limitation will change and the Fund will notify the market accordingly.
